

Impact of PE Premium Spend 2025-26

The focus of spending for this year has been to expand and solidify the PE curriculum from EYFS to KS2, to increase participation in competitive sports festivals, to raise the profile of PE and sport in school and with the parental community.

Key indicator	Action	Cost	Impact	Sustainability
Staff confidence, knowledge and skills	Get Set for PE subscription continued	£583	Staff are following schemes of work and implementing lesson plans to ensure consistency of teaching. Staff have increased knowledge and confidence in delivering tasks.	Staff have been upskilled to now deliver high quality PE Lessons teaching themselves.
Broader sporting experiences	Subsidy for residential/educational visits	£1,000	senior leaders have reviewed PE curriculum this year and long term plan has been improved.	School now have link with PGL who have offered to help support vulnerable pupils in the future with financial support
Profile of PE and sport across the school	Sports field maintenance and marking	£1,500	Field is well maintained and markings ensure children and staff have access to tracks, pitches etc	School has ongoing contract with grounds maintenance
Participation in competitive sport	Sports Partnershp	£3,500	This has provided opportunities for children to compete for their school and develop wider skills e.g. teamwork	School will continue to be part of sports partnership- money set aside in case sports premium funding comes to an end
Engagement in regular physical activity	Additional Forest School Sessions	£2,850	Children have regular opportunities to be outdoors and physical- opportunities to take controlled risks and explore/learn about nature	Forest School Leader is tranined- small ongoing costs for equipment etc
Engagement in regular physical activity	Forest School	£500	Children have regular opportunities to be outdoors and physical- opportunities to take controlled risks and explore/learn about nature	Forest School Leader is tranined- small ongoing costs for equipment etc
Engagement in regular physical activity	Top up swimming	£1,176	All pupils are able to access the school swimming lessons and gain confidence in water both for safety reasons and for future participation.	Parents are asked to support with this cost and if funding is removed, rebudgeting would happen to ensure this does not restrict involvement in future.
Engagement in regular physical activity	PE equipment/play equipment	£6,499	Pupils have more variety of activities to choose for active breaktimes and lunchtimes making them more physically active and relieving some issues with behaviour at break times as pupils are more engaged and distracted. New equipment will ensure that new PE long term plan can be delivered.	Pupils are given responsibility to look after equipment and the majority of sets are mostly complete at the end of the academic year proving that the purchase was sustainable.
